

JUBILEE OF MERCY MERCIFUL LIKE THE FATHER

PONTIFICAL COUNCIL FOR THE PROMOTION OF THE NEW EVANGELIZATION

Cathedral of St. Joseph

13/12/2015

Hartford

140 Farmington Avenue - Hartford - United States of America

The Cathedral was dedicated in 1962. The original building was destroyed in a tragic fire and 1956. The impressive Post-Modern Gothic building was designed by the architects Eggers and Higgins of New York. The building is well known for its spectacular 67 foot high windows designed by Jean Barillet which evoke St. Chapelle in Paris. Equally notable is the ceramic reredos of "The Savior in Glory" designed by Enzo Assenza.
